## Mooring Inspection Certificate

The Baddeck Mooring Authority, in accordance with the Management Plan, requires that all moorings be inspected biannually. It is the responsibility of the mooring license holder to guarantee that his/her mooring meets the mooring specifications as stated in the Baddeck Mooring Management Plan. Mooring Holders must maintain appropriate insurance on their vessel. All costs related to this inspection and/or any repairs resulting from the inspection are the responsibility of the mooring holder.

Please complete and return this Mooring Inspection Certificate to the Baddeck Mooring Authority as soon as possible.
